Searching for a company that will train you for a career, not just another job? Do you want your next role to have room for growth and advancement? **The Hague Quality Water family is growing!**

We need talented, dedicated individuals that have the desire to train to become leaders in our organization. Hague Quality Water is looking for self-motivated, results oriented individuals to service and install water softeners, reverse osmosis systems and other water treatment products. The ideal candidate for this role will have experience as a service technician in the field of plumbing, maintenance, HVAC, solar or similar industry.

This role will require good mechanical aptitude, a positive attitude and strong customer service background or abilities. The ability to communicate effectively with our customers is essential for this position. The success and growth of our organization depends on knowledgeable and skilled Field Service Technicians. In this role, you will have the unique opportunity to control your pay. As your knowledge of water treatment products and equipment grows, so will your compensation.

As a **Water Treatment Service Technician**, you will travel from job to job. If you are self-motivated, good at problem solving, like working with your hands and enjoy meeting new people every day, this is the job for you. At our company, our technicians are tasked with working on residential/commercial equipment while maintaining an excellent relationship with the customer.

Hague Quality Water is looking for an outgoing, 'customer first' employee who is driven to succeed as one of our new Technicians. We're looking for: Friendly and good with customers. Good customer service is very important to us. The ability to install equipment including working with copper, PVC and PEX plumbing. Ability to trouble shoot equipment resolving any issues. Clean Work, Clean driving record, Able to lift heavy items daily up to 100 lbs., pass a background check.

We provide:

Good weekly pay

Growth, we're a small company with room to grow.

40+ hours per week, Typically Monday through Friday 7:00 am-6:00 pm. Overtime may be required occasionally.

Benefits:

Health insurance / Medical

Paid holidays, Uniform, Tool Program

Permanent Full time position, \$17.00-\$27.00 to start per hour depending on experience.

Matching IRA retirement plan

If you are interested in working for an established company with year round work, in a friendly environment, we'd like to hear from you!
