

# ***Ramona Motorcycle Rally Bike Rodeo***

## ***Events and Rules***

Street Bikes Only!

Our Biker Rodeos are OPEN COMPETITION for all Street Bikes with engine sizes at 750cc or larger, bikes must run regular style street tires and NO KNOBBY tires are allowed. If you are unsure what is allowed, Paul, RMR's Rodeo Rules & Event Coordinator will make the final decision upon inspection of your bike. All participants must sign event waiver.

### EVENTS:

#### **SLOW RACE**

**SINGLE RIDER- HEAD TO HEAD**

***Bracket style elimination-***

**1st,2nd & 3rd places awarded!**

***Up to 3 bikes per heat, staged at starting line, flag start. Riders race as SLOW as possible between chalked lines to finish line...LAST one across wins and advances to next heat!***

**A rider is disqualified if tire crosses a chalked line and or if rider puts a foot/feet down.**

#### **KEG PUSH**

**SINGLE RIDER- HEAD TO HEAD**

***Bracket style elimination-***

**1st,2nd & 3rd places awarded!**

***Up to 3 bikes per heat, staged at starting line, flag start. Riders must push an empty beer keg from starting line, between chalked lines and between 2 cones at finish line...first one across wins and advances to next heat!***

**If a riders beer keg crosses over a chalked line the rider must stop and reset beer keg between lines at the spot it crossed to continue the race. Beer keg must be pushed between cones at finish line to qualify.**

## **BARREL RACE**

**SINGLE RIDER- *TIMED***

***Fastest time wins!***

1st,2nd & 3rd places awarded!

**1 bike staged at start/finish line, flag start. Rider must complete a "cloverleaf" pattern around 3 barrels and cross start/finish line between cones...fastest time wins!**

Rider must complete specific "cloverleaf" pattern around barrels and cross start/finish line between designated cones to qualify.

## **STOP OR LOSE**

**SINGLE RIDER- *HEAD TO HEAD***

***Bracket style elimination-***

1st,2nd & 3rd places awarded!

**2 bikes staged at starting line, flag start. Riders race to and STOP in a chalked box, shut bike down and raise both hands in the air...fastest to complete all tasks wins and advances to next heat!**

Rider and bike must be completely inside chalked box and both hands must be raised to qualify. A rider can reset bike if chalked box was over shot by rider.

Thank you to IMRA.
